RE: Information Disclosure Statement

Sir:

Applicants recently received a Notice of Acceptance in relation to the above identified application. This notice of Acceptance did not indicate that the USPTO had received a copy of the cited reference in the International Search Report from WIPO.

Applicants submitted an IDS in relation to the above identified application with the §371 application papers (copy enclosed), but did not include a copy of the cited reference since Applicants believed that this would be communicated to the USPTO by WIPO. Since this appears not to be the case Applicants hereby enclose a copy of WO 02/067987.

Although Applicants believe no fees are due, the Commissioner is hereby authorized to charge any deficiency in the fees or credit any overpayment to deposit account No. 50-3231, referencing Attorney Docket No. 100853-1P US.
